The Boys & Girls Club has an open door policy. Students will be dropped off at the club; however, it is your student's responsibility to enter and sign into the club upon arrival. **Once signed in, your student may leave the club at anytime by checking out.** Therefore, it is not possible for school administration to verify your student's presence at the club once they are dropped off. The other childcare facilities have a closed door policy.

In the event of early dismissal of school, due to inclement weather, the Boys and Girls Club will not be open therefore students will not be bussed to the Boys and Girls Club, Y-care students will be transported to the YMCA at 3100 Willowcreek Rd. (the other childcare facilities will be open to those students who are enrolled for pm). If the schools dismiss at regular time, the Club will open to receive students regardless of current weather conditions. If bad weather dictates, the Boys and Girls Club may make phone calls for students to be picked up by a parent or guardian.
