Student Materials and Belongings Pickup **May 18-21, 2020**

Beginning Monday, parents will be able to visit Crisman to pick up student materials and belongings and return books. All student materials that were left behind on our last day in the building in March have been bagged for your child. Parents should bring any library books or other classroom texts to drop off. There will be scheduled times on four days next week to pick these things up. We have scheduled two days in the morning and two in the afternoon/evening to accommodate parents. We are asking all parents to stop by Crisman during one of the four sessions. Simply pull up by Door A and we will get your belongings. Students will be keeping their iPads or chromebooks until we return in August. Any belongings not picked up will be discarded prior to our summer cleaning process.

The last e-Learning Day is Wednesday, May 20. Students will have the ability to finish assignments after this day, but no work will be assigned after this date. Teachers will be available to parents or students who have questions through Friday, May 29.

Summer Sendoff - Reverse Parade **May 21, 2020**

On Thursday, May 21, the Crisman staff is inviting all of our families to drive through our Crisman parking lot. Our teachers and staff plan to be outside on our sidewalk waving and wishing all a wonderful summer from 2pm to 3pm. This reverse parade is an opportunity for our students and families to see their teachers and staff one more time as we close out the 2019-20 school year - A Summer Sendoff. Cars will enter the West Entrance at Crisman, follow the cones or arrows past the front of the building, and loop through our parking lot. No one should get out of their cars. Our staff will also be social distancing. We are looking forward to this opportunity to see our students one more time before summer begins.

Students Who Are Moving

Any students that will be moving need to return their iPads (Kindergarten - 2nd Grade) or chromebooks (3rd - 5th Grade) during the Student Materials Pickup sessions next week.

Returning Students - Complete Online Registration

Parents, all students that will be returning to Crisman must complete online registration at this time, if this is not already complete. Remember, complete this as a Returning Student, and NOT as a New Student. Please complete this between now and May 22, 2020.
